

Academy for Jewish Religion | CA
Serving as a bridge between the pillars of Judaism

I want to be a Rabbi, Cantor or Chaplain but...

I have family and professional commitments.

Our **Sunday to Tuesday schedule of classes** has allowed doctors, lawyers, engineers, educators and other professionals to fulfill both their commitments and their dreams.

I feel more committed to pluralistic Judaism rather than a specific denomination.

As a **Transdenominational** school, our faculty and curriculum represent the teachings and traditions of **all** of Judaism's denominations.

I'm too old.

80% of our students are 35-65 years old and their rich life experience and maturity are an invaluable asset.

No more buts!
